The U.S. Army Signal Corps Officer Candidate School Association Scholarship Program was implemented in 2002. The purpose of the program is to provide recognition and financial assistance to those qualified graduating high school students who meet all of the established eligibility criteria. Selection is first granted to the child, legally adopted child, grandchild, great grandchild, brother, sister, nephew, or niece of an active Association member. Our scholarship program began with the kind donation of just one of our members. Since then ALL of the money donated to the Scholarship Fund has been donated by our graduates. Now, to help more qualified students go on to school, we are seeking your help too. Please donate so that the sons and daughters of those who served will have the chance to reach and achieve a higher goal in their life.
