# Camp Crowder

Camp Crowder is a swell place,  
Every private has an even chance  
To do the best he possibly can,  
For his country and Uncle Sam.

The officers are always in a good mood,  
Whatever they say it's for our own good  
If we obey the orders they give,  
We'll have a good chance to live.

Christmases have come and gone,  
That's when you had a lot of fun,  
But you'll never forget the one in here,  
Because the sign of victory is very near.
